New Green Fabric and Leather Line

Stressless Leather Gallery and Bedding Center is now offering the green-conscious **Ekornes** International Fabric Line. Available in 66 fabrics, 59 leather colors and four leather grades, the line is recyclable, fire retardant and manufactured in environmentally accredited mills without the use of harmful chemicals. Additionally, the fabrics are durable, meeting stringent abrasion and color-fastness requirements, while maintaining their softness, according to Ekornes. For more information, call (770) 422-4460 or visit the Stressless Leather Gallery and Bedding Center at their Marietta location or online at www.stresslessleathergallery.com.

Concrete Creations Offers Flooring for Every Room

Concrete Creations, an Atlanta-based decorative concrete and flooring company, offers a variety of flooring options for your living room, patio, garage, basement, driveway or virtually any surface in your home. Product lines include: Increte Systems, Smith Paints, Rubber Trails and Surfaces, Pro-Line and Deco-Roc. Because the company specializes in concrete applications, stamped concrete, concrete overlays, epoxy coatings, concrete removal, new slabs, concrete stains, equestrian flooring and pressure washing are all available. Additionally, Concrete Creations can custom design their product to fit your flooring needs—from adding a safety non-slip surface to temperature-controlled flooring. Products range in price. Call (678) 463-0291 or visit www.concretecreationsatl.com for additional details. ▶

Revamp Your Bare Mirror

The **MirrorMate** gives bare-edged vanity mirrors a decorative look. As opposed to purchasing a new mirror, the MirrorMate's custom-cut frames adhere directly to the mirror's edge, providing an affordable, eco-friendly alternative to purchasing a new vanity mirror. The MirrorMate comes in 40 styles and will work for any mirror.

Prices range from \$109 to \$198, depending on size and style. Available at Digital Arts Studio, (404) 352-9779. Visit www.mirrormate.com for more information.
